Anticancer A New Way Of Life - Facebook - Anticancer A New Way Of Life is the 1 best selling book on cancer in the world. Become a fan and invite your friends, family. Anticancer A New Way Of Life - New York Times Bestseller takes us on an empowering journey and changes the way we think about fighting cancer. David Servan Schreiber’s story of his journey from cancer patient to health combines memoir with a clear scientific explanation of what makes cancer cells thrive and what inhibits them. Book Review Anticancer A New Way Of Life - What bothers me about Anticancer A New Way Of Life by David Servan Schreiber is that the title deceptively limits the reading audience with a title like Anticancer the book permeates the idea that it should only be read by cancer patients. On the contrary, this incredible book is a must read for not only cancer patients, but anyone who is at risk of developing cancer in her lifetime.
