Sudden Death A Novel

Sudden Death is a quasi-historical novel that weaves fact with fiction in order to tell the story of an imagined tennis match in Rome between the artist Caravaggio and the Spanish poet Quevedo. The story of the tennis match is interwoven with depictions of hem n cort s and the Spanish conquests in the Americas.

In his droll and erudite new novel, Ivaro Enrigue provides his own distinct take on that chess on the run notion and elevates it to an even more exalted level. In Sudden Death, he is able to pull a novel out of such an astonishing ball of string but Enrigue absolutely does and with brilliance and clarity and emotional warmth all the more powerful for its.
